REPORT OF INDEPENDENT AUDITORS

Board of Directors
Schools of Ohio Risk Sharing Authority
Columbus, Ohio

We have audited the accompanying statements of net assets of Schools of Ohio Risk Sharing Authority as of June 30, 2005 and 2004, and the related statements of revenues, expenses and changes in net assets and cash flows for the year ended June 30, 2005 and the five-month period ended June 30, 2004. These financial statements are the responsibility of Schools of Ohio Risk Sharing Authority's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of Schools of Ohio Risk Sharing Authority as of June 30, 2005 and 2004 and the results of its operations, changes in net assets and cash flows for the year ended June 30, 2005 and five-month period ended June 30, 2004 in conformity with accounting principles generally accepted in the United States of America.

Board of Directors
Schools of Ohio Risk Sharing Authority
Page two

Management's discussion and analysis, on pages i through vi, is not a required part of the basic financial statements, but is supplemental information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consist principally of inquiries of management regarding the methods of measurement and presentation of the required supplemental information. However, we did not audit the information and express no opinion on it.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 6, 2006, on our consideration of the Schools of Ohio Risk Sharing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2005 AND 2004**

The management's discussion and analysis of Schools of Ohio Risk Sharing Authority (SORSA) provides an overall review of SORSA's financial activities. The intent of this discussion and analysis is to provide further information on SORSA's financial performance as a whole. Readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of SORSA's financial performance.

Overview of the Organization

SORSA is a 100% member-owned, non-profit insurance risk pool owned and governed by school district members. SORSA is dedicated to providing broad insurance coverage and high quality risk management services while maintaining long-term financial stability. Various plan options are available to members. SORSA was incorporated on January 31, 2002. Operations and plan coverage officially began on February 1, 2002.

SORSA employs a full-time Executive Director and a part-time Member Services Assistant.

At June 30, 2005 and 2004, SORSA had 65 and 67 members, respectively.

SORSA has agreements with several separate organizations whereby each provides certain administrative, executive, accounting or other services to SORSA.

The insurance brokerage firm of Willis Pooling is contracted to provide reinsurance brokerage, underwriting, rating, billing and consulting services.

The Frank Gates Service Company (Frank Gates) provides insurance claims settlement and adjustment services to SORSA. Under contract, Frank Gates pays SORSA members' claims and SORSA subsequently reimburses Frank Gates.

The Verhoff Group provides bookkeeping, payroll, consulting and accounting services to SORSA. The Verhoff Group records and tracks accounts receivable from billings to SORSA members for annual premiums and monitors and maintains several bank accounts in the name of SORSA. The Verhoff Group also furnishes SORSA bank reconciliations for these accounts.

SORSA contracts with the law firm Isaac, Brant, Ledman & Teetor to provide lead defense counsel for third-party claims against members.

SORSA contracts with the law firm Peck, Shaffer, & Williams to provide legal counsel to the SORSA Board of Directors.

**SCHOOLS OF OHIO RISK SHARING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2005 AND 2004**

Actuarial services are provided by the firm Willis Risk Solutions.

Marketing of the SORSA program is by a selected panel of local independent insurance agents across Ohio.

Property replacement cost appraisals are provided by the firm American Appraisal Associates.

Overview of the Financial Statements

This annual report consists of financial statements and notes to those statements. The financial statements include the accounts and transactions of SORSA. The Statements of Net Assets, Statements of Revenue, Expenses, and Changes in Net Assets, and the Statements of Cash Flows provide an indication of SORSA's financial health. The Statements of Net Assets include SORSA's assets and liabilities, using the accrual basis of accounting, as well as an indication about which assets can be utilized for general purposes. The Statements of Revenue, Expenses, and Changes in Net Assets report the revenues and expenses during the time periods indicated. The Statement of Cash Flows report the sources and uses of cash during the periods indicated.

Financial Analysis of SORSA

Table 1 provides a summary of SORSA's Statement of Net Assets as of June 30, 2005 and 2004.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2005 AND 2004**

SORSA's assets are categorized in the "current asset" category and the capital asset category. The "current asset" category means that they are either cash, can be converted to cash quickly, or are expected to become cash soon. The statement shows SORSA's total current assets at June 30, 2005 and 2004 to be \$1,506,631 and \$1,791,177, respectively. The primary component is cash in banks and investments. Assets in the long-term category, \$17,353 and \$6,500 at June 30, 2005 and 2004, respectively, are capital assets.

The current liabilities include accounts payable to outside companies for various services, unearned premiums, and reserves for unpaid claims. Accounts payable totaled \$41,546 and \$60,133 at June 30, 2005 and 2004, respectively. Unearned premiums totaled \$154,777 and \$826,287 at June 30, 2005 and 2004, respectively. Unearned premium is the amount of premiums collected in advance of coverage periods that have been received but have not yet been earned. The reserve for unpaid claims totaled \$1,278,244 and \$975,971 at June 30, 2005 and 2004, respectively.

As of June 30, 2005 and 2004, SORSA had net assets of \$49,417 and an accumulated deficit of (\$64,714), respectively.

Member premiums are the amount paid or due for the June 30, 2005 fiscal period. SORSA purchases reinsurance to cover the cost of large claims. For property and automobile physical damage claims SORSA collectively self-insures the first \$100,000 of each claim; the reinsurer reimburses amounts above this level. For third-party liability claims SORSA collectively self-insures the first \$250,000 of each claim; the reinsurer reimburses amounts above this level. For equipment breakdown claims SORSA reinsures 100% of this exposure and does not retain any level of self-insurance.

**SCHOOLS OF OHIO RISK SHARING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2005 AND 2004**

Non-operating gain consists of the interest earned on SORSA's various checking and investment accounts. For the fiscal period ending June 30, 2005 and 2004 SORSA held its funds in fixed income federal obligations and various liquid cash accounts.

Loss adjustment expenses consist of claims paid during the year, plus the ultimate cost of claims determined to be incurred for the current year but not yet reported.

Claims administration and reinsurance broker fees are fees paid to vendors who process claims and provide underwriting, rating, billing, reinsurance brokering and consulting services for SORSA. Other expenses are general and administrative costs incurred during the year.

For the year ending June 30, 2005, SORSA's change in net assets was \$114,131.

The Statement of Cash Flows

This statement shows how SORSA's cash balance changed in each period. It is divided into three different sections, each indicating the source or use of cash during the period. These sections relate to SORSA's operations, investing activities, and capital and related financing activities. This statement provides detail regarding the increases and decreases in SORSA's cash position during the period.

SORSA had a net cash outflow for the year ended June 30, 2005 totaling \$716,451. The net cash used by operating activities was \$178,459. Other cash flows included the purchase of investments of approximately \$554,000.

Going Forward

Insurance Market for Ohio School Districts

The environment in which SORSA operates is moderately competitive. There are options available to school districts for both pooling alternatives as well as traditional insurance.

Member Dividends

In order to maintain conservative funding for the SORSA pool, the Board of Directors has taken the position that there will be no dividends declared for distribution to members during the first several program years. When the SORSA Board of Directors determines that a dividend may be declared, SORSA will rely upon conservative actuarial estimates to formulate the plan for dividend distribution.

**SCHOOLS OF OHIO RISK SHARING AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2005 AND 2004**

Cost Containment

SORSA endeavors to contain loss costs by utilizing claims administrators and defense attorneys who are very experienced in handling third-party liability cases for political subdivisions, by full utilization of statutory immunities and by implementing loss control and risk management training programs.

Legal Environment

The legal environment in which SORSA operates is relatively stable, with recent modest improvements in statutory immunity for school districts and other political subdivisions.

SCHOOLS OF OHIO RISK SHARING AUTHORITY

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2005 AND 2004

1. ORGANIZATION AND PLAN OF OPERATION

The Schools of Ohio Risk Sharing Authority (SORSA) is an Ohio non-profit organization formed by Ohio school districts to provide cost effective pooled insurance to its members. SORSA is a self-funded, group insurance consortium that offers property, electronic data processing, boiler and machinery, crime, general liability, automobile liability and physical damage, and school board errors and omissions insurance coverage. SORSA is governed by a Board of Directors comprised of representatives of school districts that participate in the program.

Premiums are paid on an annual basis. Pursuant to participation agreements with SORSA, each member agrees to pay all funding rates associated with the coverage elected, as such funding rates are set and billed to the members by SORSA. The assigned funding rates consist of the following components: administrative fees, stop loss fees, expected claims costs, and reserves. Reserves are determined by an independent actuary and allocated based on expected claim activity. Rates are calculated to cover the administrative expenses and expected claims costs of the program as well as provide additional member equity.

SORSA was incorporated as a governmental insurance pool on January 31, 2002. Operations and plan coverage officially began on February 1, 2002.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

SORSA uses enterprise fund accounting. Revenues and expenses are recognized on the accrual basis using the economic resources measurement focus. Based on Governmental Accounting Standards Board (GASB) Statement No. 20, Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting, as amended, the Authority has elected to apply the provisions of all relevant pronouncements of the Financial Accounting Standards Board (FASB), including those issued after November 30, 1989, that do not conflict with or contradict GASB pronouncements.

SCHOOLS OF OHIO RISK SHARING AUTHORITY

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2005 AND 2004

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of funds on deposits in banks and money market funds. SORSA maintains cash balances which are in excess of those insured by the Federal Depository Insurance Corporation. However, to date, no losses have been experienced.

Investments

Investment income or loss (including realized gains and losses on investments, interest and dividends) is recognized in the statement of revenues, expenses and changes in net assets as a component of other revenue. Investments are carried at fair value and consist of fixed income securities at June 30, 2005 and 2004.

Capital Assets

SORSA's capital assets are reported at historical cost net of depreciation. All capital assets are depreciated using the straight-line method of depreciation.

Reserve for Unpaid Claims

SORSA's reserve for unpaid claims is determined using estimates of the ultimate cost of claims (including future claim adjustment expenses) that have been reported but not settled, and of claims that have been incurred but not reported. The length of time for which such costs must be estimated varies depending on the coverage involved. The reserve represents an estimate of the ultimate cost of all claims incurred which were unpaid at each fiscal period end. While information is available for the known losses, the liability for which has been established on a case-by-case basis, the unknown losses are based on SORSA's best estimate of such liabilities. Although SORSA considers its experience and industry data in determining such reserves, assumptions and projections as to future events are necessary and ultimate losses may differ significantly from amounts projected. The effects of changes in reserve estimates are included in results of operations in the period in which estimates are changed. Reserves are not discounted.

SCHOOLS OF OHIO RISK SHARING AUTHORITY

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2005 AND 2004

Premiums Revenue and Unearned Premiums

Premiums are paid annually by participating entities and are recognized as revenue over the policy period. Receivables are recorded when earned. Premiums collected in advance of applicable coverage periods are classified as unearned premiums.

Income Taxes

SORSA is a not-for-profit corporation as defined under Section 501 (C) (3) of the Internal Revenue Code. Accordingly, SORSA is exempt from federal, state and local taxes.

Risk Management

SORSA is exposed to various risks of loss from torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; employee injuries and illnesses and natural disasters.

3. RESERVE FOR UNPAID CLAIMS

As discussed in footnote 2, SORSA establishes a liability for both reported and unreported insured events, which includes estimates of both future payments of losses and related claim adjustment expenses. The following represents changes in those liabilities for SORSA:

	<u>2005</u>	<u>2004</u>
Unpaid claims and claim adjustment expenses at beginning of period	\$ 975,971	\$ 800,667
Incurred losses and loss adjustment expense	1,017,776	420,442
Less payment of claims	<u>715,503</u>	<u>245,138</u>
Unpaid claims and claim adjustment expenses at end of period	<u>\$ 1,278,244</u>	<u>\$ 975,971</u>

SCHOOLS OF OHIO RISK SHARING AUTHORITY

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2005 AND 2004

4. DEPOSITS

SORSA's deposits are cash and cash equivalents and consist of the following:

	<u>2005</u>	<u>2004</u>
Amount of deposits reflected on the accounts of the bank (without recognition of checks written but not cleared, or of deposits in-transit)	\$ 270,344	\$ 981,637
Amount of deposits covered by federal depository insurance	<u>100,000</u>	<u>100,000</u>
Amount of deposits uninsured	<u>\$ 170,344</u>	<u>\$ 881,637</u>

SORSA had the following investments and maturities, all of which were held in SORSA's name by custodial banks that are agents of SORSA:

	<u>Carrying Amount</u>	<u>Maturities</u>	
		<u>> than 1 year</u>	<u>1 - 5 years</u>
Fixed income securities	<u>\$ 1,224,239</u>	<u>\$ 505,677</u>	<u>\$ 718,562</u>

Interest rate risk – SORSA does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from changing interest rates.

Concentration of credit risk – SORSA places no limit on the amount it may invest in any one issuer. SORSA maintains its investments, which at times may exceed federally insured limits. SORSA has not experienced any losses in such accounts. SORSA believes it is not exposed to any significant credit risk on investments.

Furniture and fixtures	\$ -	\$ 6,500	\$ -	\$ 6,500
Less: accumulated depreciation	-	-	-	-
Capital assets, net	<u>\$ -</u>			<u>\$ 6,500</u>

6. EXCESS INSURANCE COVERAGE

SORSA purchases reinsurance to cover the cost of large claims. For property and automobile physical damage claims SORSA collectively self-insures the first \$100,000 of each claim; the reinsurer reimburses amounts above this level. For third-party liability claims SORSA collectively self-insures \$250,000 of each claim; the reinsurer reimburses amounts above this level. For equipment breakdown claims SORSA reinsures 100% of this exposure and does not retain any level of self-insurance.

Ten Year Claims Development Information

The table below illustrates how SORSA's earned revenues and investment income compare to related costs of loss and other expenses assumed by SORSA. The rows of the table are defined as follows:

- 1) This line shows the total of each fiscal year's earned contract revenues and investment revenues.
- 2) This line shows each fiscal year's other operating costs of SORSA including overhead and claims expense not allocable to individual claims.
- 3) This line shows SORSA's incurred claims and allocated claim adjustment expense (both paid and accrued) as originally reported at the end of the first year in which the event that triggered coverage under the contract occurred (called policy year).
- 4) This section of rows show the cumulative amounts paid as of the end of successive years for each policy year.
- 5) This section of rows shows how each policy year's incurred claims increased or decreased as of the end of the successive years. This annual reestimation results from new information received on known claims, reevaluation of existing information on known claims, as well as emergence of new claims not previously known.
- 6) This line compares the latest reestimated incurred claims amount to the amount originally established (line 3) and shows whether the latest estimate of claims cost is greater or less than originally thought. As data for individual policy years mature, the correlation between the original estimated and reestimated amounts is commonly used to evaluate the accuracy of incurred claims currently recognized in less mature policy years. The columns of the table show data for successive policy years.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Schools of Ohio Risk Sharing Authority
Columbus, Ohio

We have audited the financial statements of Schools of Ohio Risk Sharing Authority (SORSA) as of June 30, 2005 and 2004 and have issued our report thereon dated January 6, 2006. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered SORSA's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud, in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. We noted certain matters that we reported to management of SORSA in a separate letter dated January 6, 2006.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether SORSA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management and The Ohio Auditor of State is not intended to be and should not be used by anyone other than those specified parties.
